1	Is there an incumbent vendor and/or a current consultant performing the duties or any of the three positions? If yes, will they be submitted for consideration?	No, these are new positions. There are two postings (not three), one project manager and one business analyst
2	Will phone and/or video interviews be acceptable for out of state candidates or does it have to be in person	It is possible to arrange phone/video interviews.
3	Is there any possibility of an extension beyond the end date of June 30, 2016	The project will likely not be complete by June 30, 2016, but it has not yet been determined how it will be staffed beyond that date.
4	In lieu of having the consultant sign the proposal or resume, would the attached Permission to Submit document that we require of all our candidates suffice?	Yes, the Permission to Submit document is sufficient in lieu of your candidates signing the proposal or resume. We just need to know that they are aware that they have been submitted for a position.
